Malóne, Cuban born Dj/Producer from Miami is coming off is his biggest year yet in 2022. Releasing music on labels such as Saved, Insomniac, Abracadabra & Hurry Up Slowly. The artist also had 2 #1 AfroHouse tracks on Beatport last year. As well as a couple collaborations with Blond:ish and many other artists. His own label, Hurry Up Slowly, has rapidly grown since its conception in 2020. HUS was the #2 AfroHouse Label in the world in 2022. The event series has also presented massive activations during Art Basel & F1 with Malóne supporting The Martinez Brothers, Diplo, Marco Carola, Camelphat & many more.

Recently named by 1001 tracklists as one of the "The Future Of Dance Artists" , and a featured artists for DJ Mag Spain... Malóne will be showcasing a new & much bigger sound: collaborations with artists like Blond:ish, Carlita & many more. The artist has already confirmed multiple festivals, a spring tour, and numerous dates in Ibiza, Mykonos, Barcelona and other European cities for this upcoming summer.

Being ranked by Beatport as the #4 AfroHouse artist in the world last year, along with reaching over 3 million listeners in 2022, Malóne is poised to follow 2022 with a breakout year in 2023.
